Jaggers in Seventh Week of Landslide Revival in Dallas

"Too Great To Stop," Writes
O. L. Jaggers

The great city of Dallas, Texas, in this the seventh week of Brother O. L. Jaggers' mighty revival, is being penetrated by the dynamic power of God, in the ministry of salvation for the lost, and healing for the sick. As a result of this great healing revival, unusual in its length and capacity, hundreds of disease-racked bodies have gone away whole, while countless souls, bound by the fetters of sin and evil habit, have experienced the joy of sins forgiven.

According to Brother Jaggers' own report, the meeting is too great to stop, and thus the battle for lost, sick humanity is being fervently waged, in defiance to cold

Auditorium Overflows in Gayle Jackson Meeting in Atlanta

By GAYLE JACKSON

We are now in the third week of the meeting, and the house is packed out with people standing. Scores of men and women are coming to God as usual, hundreds are being healed of all manner of diseases.

We have had several goiters to go instantly right before the audience; seven cross-eyed people have received instant deliverance. A great number of deaf, and two deaf mutes were healed instantly until they both heard and spoke—even to say whole phrases such as "I will serve God" and "I love Jesus." These have been the most outstanding deliverances of deaf mutes I have ever witnessed.

The great revival moves on to certain victory as the invisible Christ walks up and down the aisles of a tabernacle night after night to do the same miracles that He did nineteen hundred years ago. Last night, for example, there were forty saved and many outstanding deliverances from sickness and demon oppression. The only difficulty is that the building will not hold the crowds. This is the only limitation to the meeting.

Dale Hanson Party Begins in Tulsa, Oklahoma

It was our privilege to be in one of the services of the Dale Hanson healing campaign which was just getting underway in Tulsa, Oklahoma. Already some outstanding healings had taken place. Several who for a long time had been invalid cases had arisen from their cots, and one of these who had not walked for a long time happened to be present that night in the service. When called upon, he arose and walked up and down the aisles praising God for the deliverance that had been his. That same night a number who were prayed for received definite healing, one of which was a little girl whose crossed eyes instantly were made straight. The meeting which began in the Down Town Tabernacle may be transferred to a larger auditorium with a number of churches co-operating, and may run through the month of December.

OSBORN-LINDSAY HAVE GREAT VICTORY IN SPITE OF STORMS

The Osborn-Lindsay campaign in Corpus Christi, Texas was a miracle in more ways than one. Unseasonable rains continued through the entire first week, flooding the ground and keeping the crowds to a few hundred. Few meetings ever overcome such reverses. But God did it this time. And before the campaign ended, the tent was filled, with many standing. Nearly 1000 answered the altar call for salvation. But we will let cooperating pastors tell the story. Rev. J. W. Nash of the Hill Crest Assembly of God writes:

"Corpus Christi has just witnessed the greatest healing campaign in the history of the city. Hundreds came to God, people who could never have been reached by our churches. Prejudices were broken

Season's Greetings

Erickson Party Having Great Healing Meetings

BY ORRIN KINGSRITER

Rev. C. Erickson

Our hearts are made to rejoice after reading each issue of *The Voice of Healing*, of the many others who are being used in this latter day ministry of deliverance. Surely God is determined to do a great work and will use humble men whom He can entrust with His power.

It is over two years now since Rev. Clifton Erickson received a special visitation from God. God revealed to him the tremendous need existing, and also how He would use him in bringing deliverance to countless thousands if he would go forth as God directed him. Brother Erickson immediately set forth to fulfill the call of his life. As a result God has used him to bring deliverance to thousands of needy people. We have volumes of written testimonies from people who have been healed of many diseases too numerous to mention. That which gives us the greatest cause to rejoice is that literally hundreds have found Christ as their Saviour in one campaign after another.

We have been laboring in Wisconsin ever since the Assembly of God Spencer Lake Camp in August, where Rev. Erickson ministered both in word and prayer for the sick. Prior to this time, and during the past year, we've been itinerating in Minnesota and the West Coast and Canada. At present we feel led to accept invitations in the Eastern States.

Louis Kaplan Has Fine Meeting in Newark, N. J.

The Newark, New Jersey campaign has just concluded and God poured out His Spirit in a marvelous manner, and confirmed the Word with the signs following. A little girl received sight in one eye, a young woman was healed of cancer, several deaf people received hearing. The altars were filled with people seeking God.

There were many other testimonies of healing. An example was the testimony of Natalia Sjoblone of 15 Plum St., Newark, N. J. who wrote: The doctors told me I had a large tumor. The last few weeks before Brother Kaplan came I had frequent hemorrhages. I took God at His Word and was healed by His power. My heart is full of joy and praises to Him.

Brother Kaplan is now in revival in Times Square, New York City and expects to go to a large auditorium in Boston, Massachusetts shortly.

Thelma Nickel Writes of Results in Muskogee, Okla.

Greetings in His dear Name. God gave us a very good meeting in Muskogee. Two very outstanding healings among many, was a man with a chest that had been crushed 52 years ago. He could not raise his arm above the height of his shoulder. He was instantly delivered. A woman practically dying with cancer of the stomach was instantly healed. She returned to the physicians to be X-rayed and was pronounced cured. These are only a few of many healings.

Brother Hall went to San Diego on important business, and is not on the field at the present time. I am getting a fine revival group together.

skepticism and a people that have almost forgotten God. Fair Park Auditorium, the largest in the city, is obtained every available night, and on others, many are turned away from the Oak Cliff Assembly of God Church, 919 Morrell Street. Not only Texas and neighboring states are being reached by this mighty landslide, but the entire nation, and Canada as well, are represented by those desiring a touch of the Master's Hand.

Though everyone does not accept the message of divine healing, this only causes many more to investigate its reality, and as a result of such inquiry, peoples of various denominations have received a personal Pentecost in their own lives, many while sitting in their seats, as a mighty wave of the Spirit of God sweeps the audience during the preaching service. Miracles, in the most unusual, unprecedented sense, occur nightly—blind, deaf, paralytics, cot-bound victims—all shout cries of deliverance as the dread diseases flee under the quickening power of God. Yes, Dallas is being visited with old-time Pentecost, the same that Peter and John administered to the man lame from his mother's womb, who sat at the Beautiful Gate, almost 2,000 years ago. Thousands of eye-witnesses reinforce this unquestionable declaration that His power is the same yesterday, today, and forever.

Doctrinal Policy of The Voice of Healing Concerning Ministries Represented Statement Concerning Prayer and Fasting

Doctrinal Policy of The Voice of Healing

Because of the rapid growth of the circulation of THE VOICE OF HEALING, and the fact that it is being read by people who are members of all the various Full Gospel groups as well as those of a denominational background, and also that it is now becoming the official organ of America's great healing campaigns, we feel that we should again state the original policy of this magazine. This publication had its origin after a long and studied discussion by the present editor and co-editor of the need of a magazine which would boldly proclaim the great miracles taking place as a result of the sign-gift ministries, and at the same time bind itself with the policy that as long as the magazine should continue to exist, there should be no discussion in its pages of minor matters of doctrine which might result in the precipitation of argument and confusion among the Full Gospel people. Specifically, this includes dogmatic teaching as to the time of the Rapture of the saints (except that it is imminent), water baptism formulas, fine distinctions and theological arguments as to the meaning of the word "sanctification," sectarian teachings that any particular organization is the true church, dogmatic theories on predestination, novel prophetic views, or anything else that would divide the people of God instead of uniting them.

This was the settled policy of the publishers from the beginning, has been from that time on as the pages of successive issues of the VOICE OF HEALING have attested, and is the policy which legally in the articles of incorporation shall be perpetuated forever by the present publishers, or in event of death of any of these, then by their successors, as long as the magazine is in existence.

Moreover, THE VOICE OF HEALING is committed irrevocably in devotion to the Great Commission of Jesus Christ.

1. That we should preach the Gospel of salvation to every creature (Mk. 16:15).

2. That salvation is to the believer and damnation to the unbeliever. "He that believeth and is baptized shall be saved, but he that believeth not shall be damned" (Mk. 16:16).

3. That these signs shall follow them that believe, which, as the context shows, includes the casting out of demons, the healing of the sick, and the manifestations of the sign-gifts (Mk. 16:17-20).

4. That the Great Commission also includes the receiving of the Baptism of the Holy Ghost, which gives power for service and the witnessing the Gospel (Acts 1:4-8).

5. That the Great Commission was not to be amended or changed in any way through the Church Age, as some contend, but is positively in effect now. This is undeniably plain when Jesus said, "Teach them to OBSERVE ALL THINGS I HAVE COMMANDED YOU, and lo I am with you always, EVEN UNTO THE END OF THE (AGE)" (Matt. 28:20).

Any attempt to emasculate these words or to lessen their effect shall be vigorously opposed by THE VOICE OF HEALING.

May we say that we have been extremely gratified by the favorable response given to this policy by ministers of the gospel everywhere.

Concerning Ministries Represented

We believe the men represented on the pages of THE VOICE OF HEALING to be of the highest type, men whose lives have been completely given over to God, and we believe that the Christian public appreciates the high standard that we maintain in this matter. If, on rare occasions, it is found that some one so reported does not come up to the standard we seek to maintain, or whose actions indicate that he does not have the true vision for the unity of the body of Christ, we beg your kind forbearance. We are on pioneer ground, and few have attempted what we are trying to do. We would appreciate it if local pastors would send us word if a campaign has been a special blessing to them. It would help us in the appraisal of new ministries. On the whole, we have found that our confidence has been more than justified, only in a case or two has it apparently been misplaced.

Statement Concerning Prayer and Fasting

Recently we received a couple of letters from ministers who were disturbed over certain teachings on the subject of prayer and fasting, and they requested that we give our views of this matter. We regret that there should be confusion on this subject, but we shall be glad to give briefly what we consider the Scriptural position to be on this subject.

First of all, he who fasts must fast unto God and not unto man. Nothing could be more unwholesome or savor more of the natural man, than for a person to go about in an assembly and say, "I'm in the sixth day of a fast" or "I'm in the eighth day of a fast." That would be fasting unto man and not unto God. The Lord commanded that we fast in secret and the Father in heaven would reward us openly. (Matt. 6:16-18). If one obeys this, he will certainly never inject an issue into an assembly. All the benefits that might have accrued to a fast can be destroyed, if unnecessary issues are raised to engender strife and division. The damage that can be caused by fasting unto strife is clearly outlined in Isa. 58:1-8. The benefits of a proper kind of fast are also mentioned.

Of course, there are times when the church or a large group of people may fast as a body. (Jonah 3:7-10 and Acts

*An answer to some things
you have wanted to know*

13:1-2). Obviously secrecy is not possible or necessary then. Nor would it appear that a humble testimony from someone who had achieved a great victory in their life through fasting, be out of order.

2. Fasting which has the motive to make the individual a "somebody" can produce no lasting good to the person or any one else. Few will ever admit such a motive, but the heart can be so deceitful. May all of us spurn self-exaltation as we would fellowship with Satan himself, who brought about his own fearful doom from that very thing. God will use the man who will say and mean it from his heart, "He must increase but I must decrease."

3. Scriptural example seems to indicate that ordinarily fasts did not extend beyond a limited time. Cornelius fasted until three o'clock in the afternoon, perhaps longer. Paul fasted three days as recorded in Acts 9:9, 19. Apparently short fasts should have a normal place in a Christian's life. (I Cor. 7:5) (Mk. 2:18-20).

4. Longer fasts on occasions are recorded in the Scriptures. These from the context, appear to have been undertaken as the result of an overwhelming need that was not answered by ordinary prayer. We must bear in mind that great crises come to at least some people which ordinary methods fail to resolve. Moses fasted forty days at a time when it appeared that Israel was about to perish under Divine displeasure. (Exod. 32:31-34:28). When one of the princes of Satan withstood the answer to a prayer that was divinely intended to be answered the first day, Daniel ate "no pleasant bread" for a period of three weeks. Ultimately, the answer came accompanied with the salutation from the angel, "O Daniel, a man greatly beloved." Christ began his ministry after a period in which he fasted forty days. The Scriptures state that He was "full of the Holy Ghost" before he began the fast, but after it was over He "returned in the power of the spirit." It must be noted that there appears to have been a supernatural element in some of these longest fasts for they drank no water also, and no man in the natural could do this without death intervening first. (Exod. 34:28). Such fasts would not appear to be a normal pattern or to be emulated.

A key Scripture showing the absolute necessity of fasting before certain kinds of demons can be ejected is that of Matt. 17:21. Speaking of the epileptic demon that the disciples were unable to cast out, Jesus said, "Howbeit this kind goeth not out but by prayer and fasting." All in all, the continuing of a long fast seems to be tied up in a desperate need. We can hardly avoid the fact that the need is greater now than any previous time in history—with

down when the signs began to follow. The thing that impressed me so much was that Brothers Osborn and Lindsay did not build the ministry of healing around themselves, but on the Word of God. The faith of cooperating ministers was built so high that on the closing night of the meeting, each minister was given a prayer line and the same signs followed for them."

Rev. Warren J. Piersol of the First Assembly of God continues more fully:

The tremendous impact of the power of God manifested in the Osborn-Lindsay Healing Campaign in Corpus Christi, Texas, will not soon be forgotten by the many people who were privileged to attend the services under the big Tent Cathedral. People who have lived in Corpus Christi for many years state that the meeting was the greatest that has ever been held in this vicinity.

I don't know how to judge the good accomplished in a meeting except by the results manifested. If the object of a revival meeting is the salvation of souls from sin, the demonstration of God's power to heal sick bodies, the liberation of those oppressed of the devil and establishing of the Saints of God in the Word of God so that they can maintain victorious living over sin and sickness, then the Osborn-Lindsay Healing Campaign was an overwhelming success. In spite of the fact that it rained continuously for the first week and then unseasonably cold weather came the second week, the interest and momentum of the meeting steadily increased through the third week until the last night found the big tent packed and jammed with many people who were hungry for the message of "Deliverance." The evangelists primarily stressed salvation, and of course, the result was many hundreds of people answering the call to be saved. The healing ministry of Brother Osborn was very exciting as we saw "Bible Deliverance" come to the bodies of people oppressed of the devil. Deaf ears were un-

stopped, blinded eyes were opened, the lame walked, demons were cast out and the weak were strengthened. How the shouts of praise would arise from the audience as the people saw God manifest Himself through His servant. The cancers were cursed and began to wither away, tumors were smitten and disappeared, goiters were dissolved, twisted and drawn limbs responded to the authority of God's Word, the crippling demon of rheumatism was cast out, paralyzed legs were made alive again.

The most striking thing to me was the ability of Brother Osborn to simplify faith so that people had no difficulty in grasping the truth. Faith was made so real that a great number of people were marvelously healed before they had an opportunity to go through the Prayer Line.

There was a beautiful spirit of cooperation by the pastors of the full-gospel churches which sponsored the meeting. Without jealousy or animosity in our hearts we united our efforts in the Osborn-Lindsay Healing Campaign to see what many of us have talked about and prayed for and that was a ministry "With signs following."

Father and Son Both Healed Of Double Rupture

Dear Brother Osborn:

My six-year-old son and I both had hernias from birth. We went to the Osborn-Lindsay Healing Campaign in Reading, Penn., and were both prayed for the same night, one after the other, and instantly our ruptures went in place, and we were perfectly healed. We praise God for this dual miracle.

Discards Neck Brace After Hearing Brother Osborn Preach the Word

Dear Brother Osborn:

I attended the Osborn-Lindsay Healing Campaign in Reading, Penn. When Bro. Osborn preached the Word, I believed the Word with all my heart. Up until this time I had spasmodic muscles of the neck and face. My head would be forced way around to the side when I had these attacks (which was almost constantly). The doctors gave me a brace to wear over my shoulder and around my neck to hold my head straight. I was wearing this when I went to the meeting in Reading. After I heard that first message, I had to go home, which was some distance, and on the way, I was rejoicing over the truths I had heard, and I said to my wife, "I can't wear this any longer" (referring to my brace), and I took it off, and was perfectly healed. So I had to return to the meeting and tell what the Lord had done for me, and give my brace to Bro. Osborn as a testimony.

Mr. Oliver Schenk

Reading, Pa.

Dear Sir:

Since you called my office some ten days ago in regard to the Osborn-Lindsay Healing Campaign, I have had occasion to discuss the campaign with several of my friends in various walks of life, and they have been unanimous in their opinion that the Campaign has been a fine thing for our community. The religious interest aroused by the enthusiasm and preaching of these men, of course, is difficult to measure, but I am certain that the campaign has contributed considerably to the spiritual uplift of the citizens of this community.

Hoping that at some future time Mr. Osborn and Mr. Lindsay will be able to return to Reading in a similar undertaking, I remain,

Yours very truly,

Eardrum Created After Radical Mastoid Operation

Dear Brother Osborn:

After having ear trouble in both ears, but especially my right one, at the age of seven years I had my right eardrum removed in a radical mastoid operation. Of course, this left me deaf in that ear. I am 22 years old now, and have been serving God to the best of my ability since I was 14. I wish I would have known the truth I know now, concerning Divine Healing, and I wouldn't have had to be operated on, but God is Love, and I went in the prayer line, in response to the call given by you for someone to start the line who had had a radical mastoid operation. When you prayed for me, then took your finger out of the ear that had been operated on, and stopped up the good ear, I could hear your watch ticking. Praise God! Surely this is nothing short of a miracle. So now I have two good eardrums.

Two Ruptures Disappear While Man Stands Outside Tent

Dear Bro. Osborn:

I want to tell you what God has done for me. No doubt you have had this happen before, but you will want to know about this, I am sure. One night while you were praying for a man who had a rupture, I was standing outside, and I had a double rupture. They would hurt me all day and give me much discomfort. While you were praying for this man, I laid hands on myself and the same time that man's rupture disappeared, mine did also. I'm just bubbling over with joy over this miracle.

Deaf Girl Restored to Perfect Hearing

Dear Brother Osborn:

My little girl has been deaf seven and one-half years. We do not know what caused her to be deaf unless it was a sickness she had when she was 1½ years old. I came to the meetings and got saved (I am her father), and the next night I brought her to be prayed for. We stood in line a long time, and were the last to be prayed for, but it was certainly worth it, because she received perfect hearing.

No Longer Needs Hearing Aid Or Glasses; Crossed-Eyes Straightened

At 61 years of age I have thrown away my hearing aid, after being nearly deaf for 60 years! I can also see without my glasses. Since I was ten months old my eyes have been crossed, but now they are perfectly straight! I attended the Osborn-Lindsay Healing Campaign at Reading, Pa., and since Bro. Osborn prayed for me I am absolutely healed. Oh, how I praise God!

Growth on Face Disappears While Sitting on Porch Across From Tent

You do not know me, Bro. Osborn, but I am one of the many who were healed during the Reading, Penn., campaign. I had a growth on my face, just in front of my ear. The second week of your meetings in Reading, I was sitting by the window which was directly across the street from your Tent Cathedral, where you were preaching in the great healing meetings. It was about 9:30 in the evening, and I was meditating upon the things of God and looking up at the sky. I started talking to God and asked Him to be with you and help you so the people might believe and be healed. As I was talking, all at once the lump on my face started to move. I felt it move to my forehead . . . and then disappeared. Oh how I do praise God for His wonderful power! It is real!

Dear Brother Lindsay:

It is with the greatest of joy and happiness that I write you, and yet with a spirit of humbleness before our lovely Lord. As you know, E. R. Lindsay and I are ministering together and have been for about three months. We just closed a tent meeting in Madera, California. Many were saved and healed. A little girl eight years old, blind from birth, was healed instantly.

We are now in Hanford, California. A mother spit up a goiter in the healing line. Another lady has a cancer wrapped up in a napkin to prove it just fell off. Another lady was remarkably healed from pain and her doctor was so moved that we were

We would add a word of explanation concerning the auditorium pictures shown on page 5 of the November issue. We had requested that Brother Dale Hanson send us a series of pictures of his meetings, and he sent us a large assortment from which we selected a number. His statement that some of these were joint meetings with Little David reached us too late for publication. We are advised that Little David joined the party at Tacoma after the meeting had been going a week, and Brother Hanson still continued to preach in a majority of the services, besides praying for the sick.

called to his office where a number of things were discussed. He was also under the tent last night and he stated a number of his patients had been healed in our meeting. May God's richest blessings rest upon you and your family is my prayer.

How Many Will Help Us To Send The Voice of Healing To Missionaries and Shut-Ins?

The reader will perhaps have noticed that we rarely solicit money for any purpose in THE VOICE OF HEALING. In the policy set by this magazine we have refrained from such and have rather encouraged the people to faithfully support their own churches. The only exception, and one that we are sure is approved by every reasonable person, has been the request that our readers assist us in supplying copies of the magazine to those who cannot afford it. We have sent out many thousands of free copies to be given to the sick, shut-ins, and the poor. We continuously get orders for rolls to be used for free distribution. The only way that this has been done has been the generous support of a few of our readers. But the demand has increased beyond our resources. Of late our office has received an ever-increasing

number of requests from missionaries for the magazine. Because of their own lack of funds or exchange difficulties they have been unable to subscribe. It seems that there should be enough people here in America interested in the missionary fields to assist in getting this message of deliverance to these needy workers. The inspiration they receive may revolutionize their ministry as it has some already. Our office is going to make a personal Christmas gift of a hundred dollars to send subscriptions to missionaries. Are there others that will match it, or will send ten, or five, or at least one subscription to the mission field? It costs us \$1.50 to send the magazine a year to the foreign field, but for every dollar given for this purpose we will send THE VOICE OF HEALING to a missionary for one year.

Dear Brother Ogilvie:

I was suffering of a sickness of an epileptic nature. A little extra exertion or staying out late and I would lose my memory the next morning and fall. I came down to the church and Rev. Ogilvie prayed for me on September 11. Praise His Holy Name, I was made whole. To prove my healing, I attended 11 meetings at the Arena, which I could not have done if I hadn't been healed. Deaf Ear Healed After 15 Years

Dear Brother Ogilvie:

I am so thankful for what Jesus has done for me. I had scarlet fever when small and it left me with a running ear. The doctors told me that I would never hear from that ear again. This was 15 years ago. It was very annoying not to be able to hear from my right ear. Now after Brother Ogilvie prayed for me, I can hear a watch tick, and people talk on my right side. Praise His wonderful Name.

Hears Birds Sing Without Aid

Dear Brother Ogilvie:

When I was five, the teachers discovered my hearing was very bad. I received treatments but they didn't help. When I attended high school my mother bought me a hearing aid. When Brother Ogilvie prayed for me August 22, 1949, I heard the tick of the watch. When I went to bed I felt a rush of wind in my ears. The next day I went outside and I heard the birds sing, WHICH I NEVER HAD HEARD BEFORE without my hearing aid. I thank and praise God for what He has done for me.

Rupture Gone After Using Anointed Cloth and Prayer

Dear Brother Ogilvie:

The Lord dealt with me very definitely about the healing of my son, Eugene, who has had a rupture since he was two years old. I took an anointed cloth which had been prayed over by Brother Ogilvie and put it under the truss. Together we began to thank Jesus for healing him. In the evening I again attended the services at the Arena. On reaching home, my mother told me that when my son undressed for bed, he said, "Look, Granny, the bulging is all gone." He was healed and hasn't worn the truss since.

(Of the various books written on Divine Healing, some have been written from the standpoint of the unconverted, others with the denominational groups in mind, still others to those who have been taught against the truth of Divine Healing. Rev. O. L. Jagers, in writing *EVERLASTING SPIRITUAL AND PHYSICAL HEALTH*, has written especially with the needs of the Full Gospel people in view. Written in the dynamic style characteristic of this evangelist, it contains a treasure-house of truth on healing and Divine health. No punches are pulled and the truth flows from the writer's pen, in a straight-to-the-shoulder manner. *EVERLASTING SPIRITUAL AND PHYSICAL HEALTH* has been chosen as the book-of-the-month of this issue of *THE VOICE OF HEALING*. THE first step in obedience that will bring healing, is love to God. "Thou shalt love the Lord thy God with all thine heart, with all thy soul, with all thy might and all thy mind." "This is the first and greatest commandment," said Christ. God expects to be first in all your daily life, over your loved ones, and your friends, and your family. He deserves to be first. Why? Because 2,000 years ago all nations and kindreds and tongues had exhausted every means of entering into the presence of God, and all the world was doomed to eternal Hell. Then God, in infinite love, gave His priceless Jewel of Heaven, the Lord Jesus Christ. Jesus came to the world, suffered a thousand deaths before He ever died at Calvary, for His Body was broken and bruised that you might have healing for your physical body. Then finally, He died at Calvary, shedding His Blood for the sins of all mankind.

We breathe God's air—man cannot create it—with its component parts of oxygen, etc., essential to life. We eat God's food—man cannot create it—the farmer places the seed into the ground but God grows it. God loves mankind and provides for him in every need of life, yet mankind refuses to return the love to a loving Heavenly Father from whom he receives sustenance for life itself.

Love to Man

The next step in obedience to be healed, is love to man. Christ said that the second commandment was like unto the first, "Thou shalt love thy neighbor as thyself," and upon these two commandments hang all the prophets and the law. If you wish to be healed and stay healed you must love your neighbor as yourself. Jesus also said, "By this shall all men know that ye are my disciples, because ye have love one to another." The apostle Paul said, "Though I speak with the tongues of men and angels, and have not love (for my brother or my sister in the Lord, especially) I am become as sounding brass or tinkling cymbal." Love to man means no backbiting, no criticizing, no gossiping, no judging our brother and sister in the Lord. The Spirit

of Christ is the Spirit of forgiveness, and remember, if we forgive, we are going to be forgiven in return.

It is a known fact that many afflictions come upon people because of hateful and harmful words about a brother or sister in Christ. You will never be healed or stay healed unless you get the love of God in your heart shed abroad by the Holy Spirit, so that you love God so much that you can love your neighbor as yourself.

Be Baptized With the Holy Ghost and Fire

Another step in obedience to being healed, is to be baptized with the Holy Ghost and fire. Do not misunderstand me. I do not mean that you have to be baptized with the Holy Ghost in order to be healed. Many people have not yet been enlightened about this most glorious commandment of the Lord. But if you have been enlightened to God's Word and know that the Baptism of the Holy Ghost is for you (and there are hundreds and thousands of people like that) then that becomes a condition and you must become obedient to this commandment of the Lord Jesus Christ and be baptized with the Holy Ghost. Did not Jesus command His disciples that they should not depart from Jerusalem until they had received the Holy Ghost? Christ said "wait" for the baptism of the Spirit, and He says "wait" to you! If we deliberately disobey this commandment can we expect to be healed?

Is it not reasonable to think that we should be filled with the very Spirit that does the healing? The whole structure of the Christian life is based upon the Holy Spirit, hence the whole structure of the Christian life soon falls apart if one does not obey Christ and be baptized with the Spirit!

We are born again by the Spirit.
We are sanctified by the Spirit.
We are baptized by the Spirit.
We are kept and sustained by the Spirit.
We must pray in the Spirit.
We are told to even sing in the Spirit.
We worship God in the Spirit.
We must be led by the Spirit.
We must walk in the Spirit.
We must live in the Spirit.
We will be taken to heaven by the Spirit.

Not only physical health, but Spiritual life and health is yours through the Baptism of the Spirit. The Christian world is starving to death for spiritual food and drink. Obey the words of Jesus Christ when He says "Tarry until ye be endued with power from on high."

The Place of Holiness

Another step in obedience to God's Word which will bring about our healing is holiness. We must be one hundred per cent unconditionally surrendered to Christ in spirit, soul and body. To maintain this consecration we must lead a consistent prayer life, praying and reading God's Word every day without fail. This is what it means to abide in Christ and to have His words abiding in us.

We must give ourselves—spirit, soul and body—wholly to God and not fulfill our own selfish desires. We must wholly surrender our self-will and will to God. As I Corinthians 6:19 and 20 says: "What, know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?" "For ye are bought with a price, therefore glorify God in your body and your spirit, which are God's."

The Holy Ghost is the most Divine and Holy gift that God has ever given to the

Church. Yet our physical body is the temple of the Holy Ghost. Is it any wonder that some Christians are not healed when their body is given over to fleshly desires and lusts? Therefore, the Divine Holy Spirit that indwells is grieved and cannot bring the healing which is needed!

It is positively taught in the Word of God, that God is a God of conditional promise and will not heal any child who is wilfully disobedient. Some people expect God to keep His promises to heal them, yet they live like the devil every day! I have had so-called Christians to tell me that they think they can drink a little wine, swear a little and partake of the things of the world, yet expect Christ to heal them. No wonder some are not healed and some don't stay healed! They claim to be Christians yet they love the world more than they love Christ! There are two indispensable things, without which no man shall see God, and they are peace and holiness. "Follow peace with all men and holiness

The Marvelous Conversion of O. L. Jagers

As Told By Himself

Chapter II of Life Story
(CONTINUED FROM NOVEMBER ISSUE)
Baptism With the Spirit

THREE months after my conversion, I was baptized with the Holy Ghost and the fire and the power. After my baptism with the Spirit, Christ became more real to me; His beauty was clear to me. The Spirit made Jesus' magnificence clear to me, and truly the Spirit does "testify of Christ." By the Baptism with the Holy Ghost, I became partaker not only of His Divine nature, but also of His Divine supernatural power. Since I have been baptized with the Holy Ghost, I understand why Christ is the source of all good, the fountain of every excellency, the mirror of perfection. He is the wonder of earth; He is time's masterpiece, and eternity's glory, for He has become my all in all. When I was baptized with the Holy Ghost, I received an anointing which has never departed from me till this day. After my baptism with the Holy Ghost, the desire to preach the Gospel was very deeply impressed upon me, for as stated before, I had known from a small boy that God would use my life to preach the Gospel. I had a tremendous desire to help those who were in the clutches of Satan and bound with habits they were unable to break loose from in their own human strength. From personal experience, I knew that the miraculous power of God is being manifested to deliver humanity from the demons of habit that bind this generation more than any other in the history of the world.

From the time that I began to preach the Gospel over nine years ago, God began to miraculously deliver people from habits, as I laid hands on them, even as He healed the sick by laying on of hands. The mighty power of God delivered men and women from dope, drink, tobacco and many other habits and removed the craving. There can be no doubt that God removed the nicotine, alcohol, and the dope from the blood stream the moment I laid hands on them, for the craving left the people immediately.

Revival Is Here!

It is the opinion of this evangelist that without which no man shall see God." If you want to be healed then put on the Lord Jesus Christ.

the miraculous power of God will be more and more manifested as we continue in this last great revival, and as these last closing moments of this dispensation bring us nearer the rapture of the church . . . His mighty power for instant deliverance from sin, habits, and sickness will much more be manifested.

As stated in the beginning, God's miraculous power has surrounded my life, in fact the first sermon I ever preached was a sermon of the miraculous; "These signs shall follow them that believe."

I traveled for seven years in evangelistic work all over the nation. I visited so many hospitals, insane asylums, and sick rooms where many of God's own dear saints suffered, and my heart began to yearn more and more for God's best for humanity. I knew that the Gospel of Christ is two fold, that by atonement and the vicarious sufferings of Christ, we are both saved and healed, that Divine healing was in the atonement. I knew also that all the gifts of the Spirit should be manifested and in operation in the true church of Jesus Christ, for there is not one single scripture one inch long where miracles, or the sign gifts were ever withdrawn from the church. Indeed, the writings of the early church historians such as Justin Martyr, Irenaeus, Origen, St. Augustine, St. Chrysostom and many others which bring church history down through five centuries, and other histories show clearly that the miraculous power of God has never been withdrawn from the church. Then, I asked myself, why should there be so much sickness among the children of God? Why should God's people suffer on, when provision had already been made for their physical healing? SIMPLY BECAUSE THE MINISTRY WAS NOT TAKING GOD AT HIS WORD, AND STANDING ON THE WORD OF GOD, FOR WHO COULD READ SUCH MARVELOUS PROMISES IN THE WORD OF GOD, AND NOT BELIEVE IN GOD'S HEALING POWER? "And Jesus answering saith unto them, HAVE FAITH IN GOD," "For verily I say unto you, that whosoever shall say unto this mountain (mountain of sickness, or any other trial) be thou removed, and be thou cast into the sea: AND SHALL NOT

Second Test Case NEWSPAPER CONFIRMS HEALING OF DEAF MUTE!

My Impressions of The Great Healing Campaign in Jamaica, B. W. I.

BY BISHOP H. C. STOPPE

Superintendent of the Jamaica Churches of The Church of God
Box 390, Kingston, Jamaica, B. W. I.

(Brother and Sister Osborn went to Jamaica last winter, almost unheralded, but with a desire to test this ministry of deliverance under conditions found in the foreign fields. The result was 10,000 conversions to Christ and multitudes of miracles. On this page is a newspaper story of the healing of a deaf mute. (The newspapers at first opposed Brother Osborn's ministry which makes the incident all the more authentic). Bishop Stoppe, superintendent of 150 churches of the Church of God, tells how he at first rather reluctantly, and not a little skeptically, received the reports of what seemed too good to be true. But soon he was not only convinced, but became an ardent supporter of this ministry, even flying last summer to Reading, Penna., to help prepare for the Osborn-Lindsay campaign there.)

This is the second of a series of test cases of deaf and dumb persons that have been healed. This is our answer to those who have denied the healing of these people. Since the Jamaican newspaper, THE EXPRESS, at the first opposed the Osborn meetings, the fact that they now publish the story of his dramatic healing, is the strongest kind of evidence. Let no one again say that "no deaf mutes are ever healed today." The above copy was taken from the Kingston, Jamaica, newspaper, THE EXPRESS. For further information write Bishop Stoppe whose address is above.

IT was just about dark one night when a car stopped in front of my house. I went to the gate and two men got out of the

car. One introduced himself as Evangelist Osborn and the other as Brother Iverson.

They had written me a letter from the other end of the Island just a few weeks before they came, asking if it would be all right for them to hold a meeting for one of our preachers. After talking with them briefly that night, they informed me that they were starting meetings in another church the following week and asked me if

the preaching, the Healing Line was formed. I watched Brother Osborn pray for numbers of sick folk. Most of these had no visible ailments so we just had to believe that they were healed. Then it was that a deaf and dumb girl about 12 years of age stood before him to be prayed for. I was very anxious to see this since I had heard so much about the healing of deaf-mutes. Sitting only a few feet away from

her, I was convinced that she was really deaf and dumb as she could not hear nor speak a word. Brother Osborn laid his hands on her and commanded the deaf and dumb spirit to come out of her in the Name of Jesus. Then he snapped his fingers at her ears and after doing so a few times she finally nodded her head, which meant that she could hear. He tried to get her to speak but she could say nothing that was very plain. He passed her on, telling the folks that she was healed and would be all right. However, I must say that I was not convinced that she was healed. It was about three nights later before I was able to get back to the meetings

again. When the Healing Line was formed that night, this little girl that Brother Osborn said would be all right, was back in the Healing Line with her deaf and dumb mother. As she came up to Brother Osborn, I was surprised beyond measure to see how happy she was and to see how well she could speak. This was enough to convince me. Her mother was prayed for and was able to hear the smallest watch tick. When she was asked to say, "Praise the Lord," "I love Jesus," and several other words, she said them very plainly. I could see that God was doing things I had never

Brother Osborn Touched His Ear And Wilberforce Hears Again

Seventeen-year-old Wilberforce Morris had been deaf and dumb since he recovered from a typhoid fever attack when he was nine years old. In February last a man told him about two American Evangelists who were preaching nightly at East Street. News had spread around the city that they possessed healing powers. Hundreds flocked to their meetings.

Young Wilberforce went one night. The place was crowded with cripples, mutes and others suffering from nearly every form of infirmity.

He knelt at the feet of Brother Tommy Osborn, one of the evangelists. He knew he laid his hands on his head and placed his fingers at his ears. He could hear nothing. Then the evangelist motioned for him to rise. He heard the sound of singing, praying, voices for the first time in eight years.

Yesterday morning he called at THE EXPRESS to tell this story:

He said he could hear perfectly. He could answer any question but he could only speak in a whisper. He went on with his story.

He spoke of his life as a mute. During his years of speechless silence he communicated with others by writing on a pad he carried around. When anyone wished to say anything to him it was written on the paper. He still carried a pencil. "After so many years it became a habit," he explained. He did not find this mode of communication difficult, as he could read and write fairly well before his illness.

Misfortune did not stop with his illness. Both parents died so he left the district in St. Catherine where he lived and came to Kingston. A kind woman took care of him; he is still living with her.

Before his father died he taught him to play the clarinet, so Wilberforce, despite his illness, continued to study music. He visited the Junior Centre regularly and gained the interest of Mr. Robert Verity, the supervisor. He

continued to read and learn. Then came the miracle at East Street.

Telling of his first reaction to his cure, Wilberforce said: "It sounded strange to me after so long. I was excited and happy. I could not speak then but my voice came the next day. I went to see a doctor soon after and he, too, thought it was a miracle."

It was exciting, his return to the world of sound . . . music, laughter, voices, but this new happiness brought its attendant difficulties. He wants a job and cannot find one. Wilberforce said he does not want the kind woman who has been taking care of him to go on supporting him now that he can hear and speak.

Armed with a recommendation from Mr. Robert Verity he has been on the job-hunt since his cure but he has not yet been able to find employment.

He is bright and intelligent. Can anyone help? He lives at No. 2 Wellington Street, Denham Town.

The Kingston Jamaica Newspaper, THE EXPRESS, confirms healing of deaf mute.

I could get them some rooms. I was able to secure two rooms for them right next door to us. So the following week they arrived and began their meetings.

Night after night when they would come home they would tell us of the many healings and miracles that took place. While I was not exactly an unbeliever in these things, yet I must confess I was a little skeptical as to whether these things were actually so.

Healing of Deaf Mutes Convinces

About the second week of the meetings I decided to go and see for myself. After

witnessed before. Many had raised their hands that night and said they were prayed for in these meetings and were healed.

Hundreds Saved Nightly as a Result of the Miracles

A few weeks later, the meetings came to one of our churches and I attended them every night. Night after night 200 to 300 people would come forward to be saved and when the Healing Line was formed there was about the same number to be prayed for, for their bodies. Oh, I must say this was wonderful, to see the mighty power of God demonstrated before our eyes night after night. Before my own eyes, blind eyes were opened, the deaf made to hear and the dumb to speak, the lame walked and praised God for joy. Three deaf-mutes were healed from one family.

I, myself, was suffering in body and was thinking seriously of resigning my work and returning to the States. I claimed God's promise and got deliverance. I also wore glasses for 22 years. After seeing what God could do for me, I decided to also trust Him for my eyes. I haven't worn

glasses from that day to this and wish to say I am completely healed and can read the finest print.

The entire Island was stirred. People came 50 and 60 miles bringing their sick and taking them home healed.

Anglican Preacher Begins Ministry of Deliverance

Brother Osborn contacted the Anglican preacher to see about renting their Hall which is located in downtown Kingston. Outside of the Youth for Christ Rallies, I've never known this Hall to be rented out for religious purposes. The Pastor

decided to let Brother Osborn have it for 5 nights. Each night the two Pastors of this church would sit on the platform and were convinced beyond the shadow of a doubt that this was God as they saw the mighty miracles. The Anglican Bishop wanted to know what these Pastors meant by sponsoring such a meeting, but Father King, the head Pastor, told them that this was of God and that he wanted his people to get the benefit of it.

I talked with Father King each night after the service and I was much amazed to see an Anglican (Episcopal) so convinced. He asked me to get him all the books I could on Divine Healing and said that he was going to preach on Healing every Wednesday night and start praying for the sick.

There are many more things I could say about these wonderful meetings, but I'll close by saying this, "Hundreds of people here in Jamaica are testifying that they have found Christ as their Saviour and praising God for the wonderful miracles wrought in their bodies."

Standard Must Be Raised Against Unbelief

It is appalling to hear and read some of the writings of the present day so-called Bible teachers, who do not believe in the healing power of Christ. Teaching that the days of miracles are past. That miracles passed away with the death of the disciples,

or the early church age, that healing was not a part of the great atonement. Is it any

wonder there is so much unbelief in the church of Jesus Christ, at this time when

this sick, diseased, afflicted, suffering generation needs the healing power of Christ more than ever before? Is it any wonder that the Church of Jesus Christ in many places is spiritually paralyzed, and unable to raise a standard against the powers of the devil, that are sweeping this nation by storm? Is it any wonder that the high schools and colleges, are turning out thousands of atheists, skeptics, and communists . . . when those in the ministry, who claim to be a part of the true ministry of Jesus Christ, teach that God's power is no longer manifested, and that Christ no longer heals? I have gone into sick rooms of Christians who belong to denominational churches, and have the sick Christian to tell me that his Pastor had informed him that healing was not a part of the atonement, and that miracles and healings ceased long ago! When a minister visits a sick room who does not believe in healing, he is saying to that sick Christian in effect; "I am sorry that you are sick and suffering, but am also sorry to inform you that Christ no longer heals, healing was not in the atonement, Christ only died for your sins, not for your sicknesses, you will have to suffer on till you die!"

What an insult to the love of God!

What an insult to the Word of God!

What an insult to the plan of God, for by God's love gift to the world, His only begotten Son, and His death at Calvary, He has freely provided both healing for the soul and body! Because of Calvary, we are washed, cleansed, purged, purified, justified, sanctified, redeemed, purchased,

Questions and Answers

Answer To The Inquiry "Does The Baptism of The Holy Ghost Occur at Conversion or Afterward?"

QUESTION: Mr. L. A. R. of Battle Creek, Michigan, takes issue with our teaching in **BIBLE DAYS ARE HERE AGAIN** (page 100) that the Baptism of the Holy Ghost is a subsequent experience to salvation. In a letter he gives his reasons why he believes that the new birth and the Baptism of the Holy Ghost are one and the same thing.

ANSWER: The letter which Mr. L. A. R. writes is written in a very Christian spirit, and we have no doubt that he is a godly Christian man. However, we must declare that the Scriptures show overwhelming proof that the Baptism of the Holy Ghost ordinarily is a subsequent experience to salvation.

We gladly agree to this: The Baptism of the Holy Spirit may follow conversion almost immediately, where faith is present and those who possess a ministry of the Spirit are ministering. The account of the receiving of the Holy Spirit in the house of Cornelius is an excellent example of this (Acts 10:44-48). But much spiritual preparation in his case had taken place before hand. Cornelius was in fasting and prayer until the middle of the afternoon when the account of the incident opens. His household were devout and eager seekers after the truth. Their hearts were hungry for God, and God filled them with the Spirit even while Peter was preaching.

Normally there is an interval, however brief, between the work of the Spirit producing salvation in the life of the individual and the full infilling of the Spirit, which we shall now show.

1. Christ Taught That the Children of God Should Ask for the Spirit.

"If ye then being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him" (Luke 11:13).

In this first mention of the giving of the Holy Spirit, Jesus reveals the principle which runs through the whole superstructure of Redemption. That is, although God has purchased complete salvation for whosoever will, yet it is necessary that the individual SHALL ASK for these blessings. It is important to notice that Christ is not speaking of sinners or rebels which are outside of the pale of the kingdom, but of children—His children. The Christian does receive some measure of the Spirit's presence at the time of his conversion, but it is evident from this Scripture that he does not automatically receive the fullness that is Divinely intended until he has asked for it.

Many attempts have been made to emasculate the words of Jesus. Some claim that the words of the Sermon on the Mount are now out of date, and do not belong to this Dispensation. Others declare that the promises of Divine healing made by the Lord are not to be considered now in effect. Even the Lord's prayer is said to be non-applicable to the present time, because it infers human forgiveness is a condition for Divine forgiveness. The result of all these cancellations has been to produce a weak form of Christianity. **THE WORDS OF JESUS ARE ETERNAL IN APPLICATION.** The beautiful gospels were not given to mankind to be effective

only during the three short years of Jesus' ministry, but they were to be solemnly accepted and practiced by all His followers. Indeed, we shall be judged by these words which He spoke (Jn. 12:48).

2. Christ in His Farewell Address Told the Disciples to "Wait" for the Promise of the Father.

If there were to be any change in the significance of the words of Christ concerning the receiving of the Holy Spirit, He certainly would have made it known after His Resurrection, at the time that He gave them the Great Commission. At this time He indeed spoke to His disciples and breathed upon them saying, "Receive ye the Holy Ghost" (Jn. 20:22). But this was not the Baptism of the Spirit, for He afterward said as recorded in Acts 1:4-5, "WAIT for the promise of the Father, which, said he, ye have heard of me. For John truly baptized with water; but ye shall be baptized with the Holy Ghost not many days HENCE." This great event did take place on the Day of Pentecost as is recorded in the second chapter of Acts.

It is important to note that the apostles were certainly saved before Pentecost. The Lord had said to the Seventy who were subordinate to the apostles "Rejoice because your names are written in heaven" (Luke 10:20). The fact that the Baptism of the Holy Ghost is a subsequent experience is revealed again in Luke 24:49, where Jesus mentioned the endowment of the Spirit which the disciples were afterward to receive.

3. After Pentecost the Scriptures Show That the Baptism of the Holy Ghost Follows Conversion.

Philip, the evangelist, went down to Samaria and preached Christ unto them. Then he had a great healing revival. It was because of the miracles that they witnessed that "the people with one accord gave heed unto those things which Philip spake." Notice the order of events:

1. Philip preached Christ.
2. Miracles of healing strengthened their faith and confirmed the message.
3. There was great joy in the city.
4. They believed in Jesus.
5. They were baptized both men and women.

It is evident that this is the order of events that produces salvation in the hearts of men and women. The Great Commission declares that "he that believeth and is baptized shall be saved."

BUT NOTICE: THE SAMARITANS HAD NOT YET RECEIVED THE HOLY GHOST. This is so plainly declared that there can be no further doubt but that the Baptism of the Holy Ghost is normally an experience that follows conversion (Acts 8:14-17). In other words, the Spirit Baptism does not ordinarily take place at conversion. Then Peter and John, who particularly possessed a ministry of imparting the Holy Ghost, came down to Samaria, prayed for these people, laid hands on them and they received the Holy Ghost. In this we definitely see that conversion came first.

4. Paul Received the Holy Ghost Subsequent to Conversion.

The experience of Paul is significant. The apostle specifically stated that God's great purpose in him was that he should be "for a PATTERN to them which should hereafter believe on him to life everlasting" (I Tim. 1:16). How then did Paul receive the Holy Ghost; at the time of his conversion on the Damascus road, or later? The answer is that the apostle received the Holy Ghost **THREE DAYS LATER**, during which time he continued in prayer and fasting (Acts 9:8-17). Ananias came to him, prayed for his healing and that he might receive the Holy Ghost (Vs. 17). Thus we see the cumulative evidence is overwhelming that the receiving of the Holy Spirit normally follows conversion.

5. Paul Taught That the Receiving of the Spirit Follows Believing in Jesus.

When Paul came to Ephesus he met certain disciples. His first question was, "Have ye received the Holy Spirit since ye believed?" The Revised Version reads, "When ye believed." Either translation indicates that Paul knew that the Holy Spirit did not automatically fall on a person at the time that he first believed in Jesus. If it were automatic, then he would never have asked such a question. No instructed person will ever ask a new convert if he received pardon when he repented and believed in Jesus. Such always takes place. Not so the infilling of the Holy Spirit. There is ordinarily an interval, during which time the person is instructed in the need and purpose of the Holy Spirit Baptism. However, it is true that the Divine plan envisages the immediate receiving of this experience as soon as possible after conversion.

6. Finally, Common Experience Substantiates This Great Truth.

The Baptism of the Holy Ghost is an experience of such a nature that everyone knows when it takes place. A careful reading of the passages of Scripture in Acts 2, 8, 9, 10 and 19, indicates that certain manifestations attend the receiving of the Holy Ghost. God's Word has not changed. All those who hunger for the Holy Spirit, will find that God will give to him all that He has promised. Millions have proved this to be true even in these days.

We would add, however, that everyone who has been converted has received the Spirit in a certain measure (I Cor. 12:3; Rom. 8:9). The Lord defined the difference between the Holy Spirit's presence in salvation such as the disciples had received before Pentecost, and what they experienced afterward by saying "HE DWELLETH WITH YOU AND SHALL BE IN YOU" (Jn. 14:17). This latter is the rivers of living water spoken of by Jesus in Jn. 7:37-38, which everyone who will be a true Bible believer should earnestly desire and receive.

Since it is the quickening power of the Holy Spirit within the believer which will quicken his mortal body and give him Divine health and dominion over sin (Romans 8:11-13), it is of extreme importance that he desire and receive the Baptism of the Spirit immediately after his conversion.

Dear Brother Lindsay:

Greetings in the Name of our Lord Jesus Christ!

Your very good letter has been received. Thank you very much. From Thea F. Jones

Dear Brother Lindsay:

Greetings in the Name of Christ! I enjoyed your wonderful fellowship in the Athens meetings. We just closed a wonderful six nights of services in the municipal auditorium in Columbia, South Carolina. There were 1250 sinners who came to God for salvation—nine hundred during the last two services. We prayed for around one thousand last night, and the officials of the auditorium estimated the last night's crowd to be eight thousand. At any rate, we know that it took the fire and police departments to try to control them. At least twelve blind people were delivered in the last service. Many cripples walked and a great number were delivered from stretchers and cots. We praise God for this wonderful outpouring.

Your Brother in Christ,
Thea F. Jones.

U. S. Grant Writes of Brother Vineyard's Ministry

Dear Brother Lindsay:

Greetings from the mid-west and in His wonderful Name!

The Lord confirmed the ministry of deliverance to Brother Vineyard in his church where he was pastoring at Overland Park, Kansas, a suburb of Kansas City. As he obeyed the call of God, he left his church for a full-time ministry on the field. In Wichita, Kansas, Yvonne Morris was instantly healed of gallstones. For the past several years she had suffered and was ready to go to a specialist in Kansas City. Every day for seven months she went to the doctor and was given two shots a day. These shots were for relief and to build the body up for an operation. When prayer was made she felt the Lord crushing the stones and the healing was perfect. She has now gained 25 pounds.

I have a letter written by Pastor Benjamin Grandall of Brooklyn, New York, telling of the great blessings received while Brother Vineyard was there. He had a fine salvation ministry with sinners in the

altar every night. Special nights were given over for instruction for and receiving the Holy Spirit. A goodly number were filled. There were miracles of healing, many of them in the lives of Catholics, resulting in their salvation. Many times he prayed till long after midnight for those in the healing line. One lady who had been blind in one eye for over thirty years was instantly healed and saw perfectly. Volumes of praise went up from the congregation as they heard her shout, "I can see! I can see!"

A lad 14 years of age, blind in one eye and the other so crossed and affected that the doctors said that it would be only a little while before he was totally blind, was prayed for. He was instantly healed and can now read a newspaper with the eye that was totally blind. He now has recently been examined by eye specialists and pronounced as having 20-20 vision. One girl was prayed for with no eyeball in the socket of one eye. Growth began immediately and has continued.

Brother Vineyard's work has been in the eastern part of the United States. However, he plans to work in the Midwest beginning some time around Christmas.

A Doctor's Testimony

GREENWELL DIAGNOSTIC OFFICES
202 E. 11th Street
Hanford, Calif.

To Whom It May Concern:

This is to certify that Mrs. W. E. Pickens, of Lemore, was examined by me September 24, 1949, and was found to be suffering from rheumatoid arthritis in the right knee, right hip and the lower three segments of the lumbar spine. Calcareous deposits were found in all the affected areas. In the lumbar spine the intervertebral spaces were completely obliterated.

Mrs. Pickens started treatment at this office on September 26, 1949. On the evening of October 4, Mrs. Pickens requested prayer from Rev. W. A. Henry and Rev. E. R. Lindsay for relief of pain. The pain left at once. I again examined the affected areas on October 7 and 14 and have found the calcium deposits leaving so rapidly that only the power of God could be bringing it about. Movement in the lower lumbar area has been possible since the day following prayer. Praise God for His healing powers.

Arthur Jacobson in New York

Dear Brother Lindsay:

Greetings in the Name of the Lord! Just received THE VOICE OF HEALING. Surely rejoice with you in all the good things God is doing. At present we are in New York in great meetings with the Spanish people. One night eight deaf received hearing—14 the sense of smell—crutches are discarded as the healing power of the Lord surges through sick bodies

bringing deliverance. Many are healed instantly. A cancer dropped off one. A lady with a hand crippled 30 years testified to deliverance before the congregation. Peace and Grace from God our Father be with you.

Your Brother in Christ,

Blundell Ministry Reported

Dear Brother Lindsay:

Just a few lines in appreciation of THE VOICE OF HEALING which we receive monthly. It thrills our hearts to see God's wonderful doing throughout the earth. We are happy to note new ones receiving the sign-gift ministry. I would like to report the ministry of Brother Mel Blundell. God has certainly used him in a healing ministry. I notice that the revelation gifts of Word of Knowledge and Word of Wisdom are quite prominent in his ministry. We are working together and God is using us both in the sign-gift ministry for which we humbly praise and thank Him. Our Brother Blundell is a very humble man of God with a real passion for the sick and sinful.

Carl Henry Back on Field

Dear Brother Lindsay:

Truly, the Lord is confirming His Word with signs following. After about a year of rest I am back in the field and God is performing great and mighty miracles.

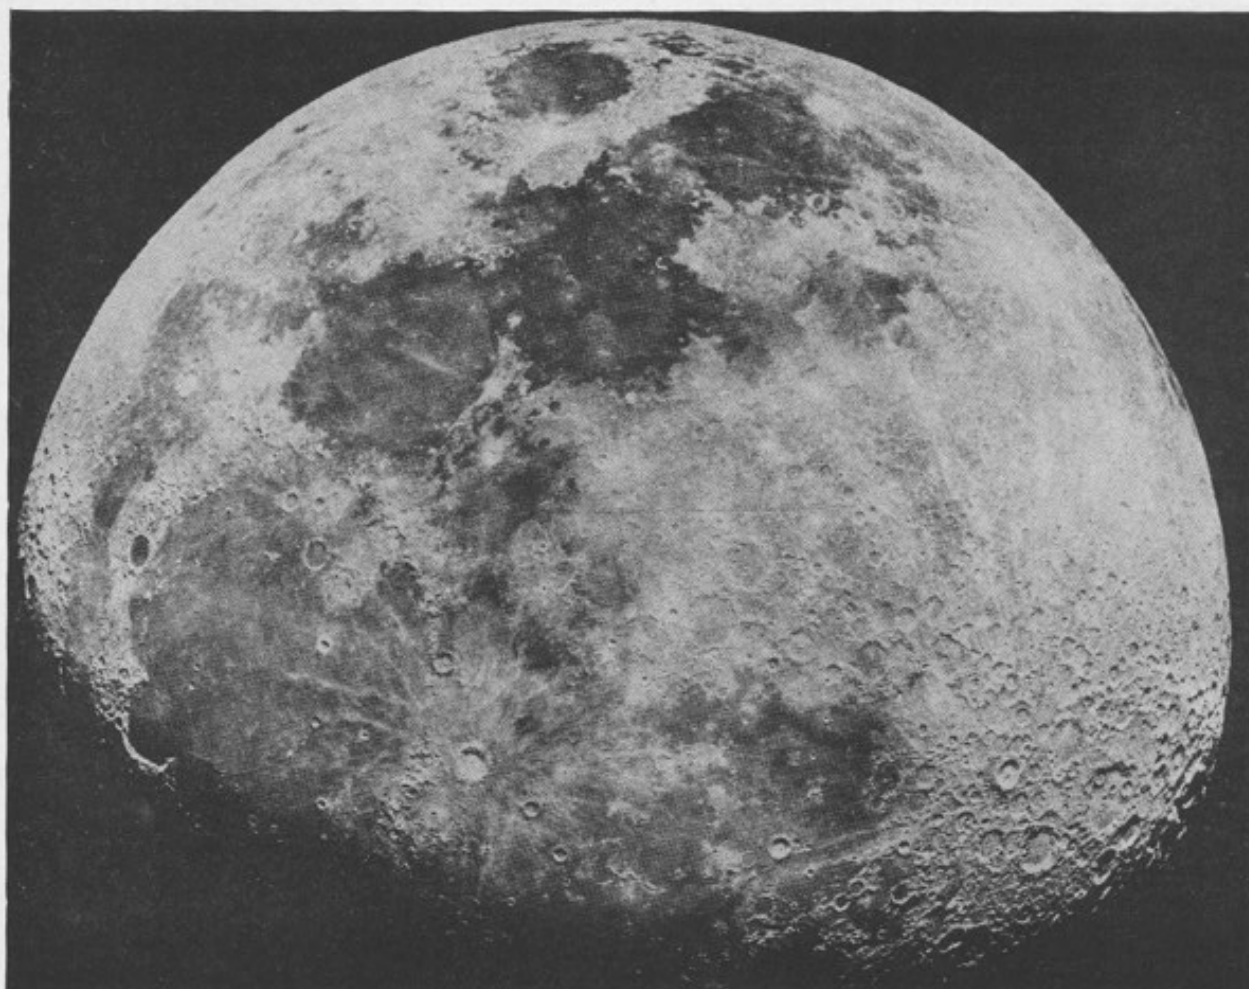

In a recent campaign at Gage, Oklahoma, many souls were saved and healed. Tumors and cancers vanished completely at a word of command in Jesus' Name; cripples were set free; incurable cases of many years' standing were instantly healed; and several were delivered of the drink and tobacco habit. People came all the way from San Antonio, Texas, to be healed. A great interest was manifest in the meetings when God started to work and perform mighty miracles in our midst. As a result of these meetings a new Assembly of God Church is now being established in this so very needy field.

Many are reporting great healings received through the teaching given in my book "Christ—The Great Physician." One woman reports she was healed of a cancer on her chin after reading the book. Hundreds of new testimonies have been received as a testimony of the effectiveness of the Word of God and the teaching given.

My wife and I are enjoying your good magazine, "THE VOICE OF HEALING," and we consider it the best in current monthly healing literature because it is so well balanced, containing articles on Prophecy and Divine Healing, as well as reports from the field of evangelism.

Yours in His Fellowship,

PHOTOGRAPH OF THE MOON. Note the multitude of craters caused by the impact of great meteorites. Here is the evidence that this part of the solar system once suffered a fearful judgment, probably referred to in Jer. 4:23-26.

Is the Earth About to Be Visited With a Cataclysmic Judgment?

BY GORDON LINDSAY

Is the earth about to be visited with a Divine Judgment because of the wickedness of the inhabitants who dwell upon it? The Scriptures indeed teach that just such a catastrophic event is coming, and, according to the evidence, is even at the door. More than a fearful atomic war, which is apparent, there will be a veritable shaking of the cosmic creation (Isa. 2:10-21).

The apostate nominal church does not take these warnings seriously. As in the days of Peter, so again the scoffer declares, "All things continue as they were from the beginning of creation"—a false and inexcusable conclusion. The simple argument that Peter used was that as the result of apostasy and sin, world judgment had come before, and for the same causes would come again.

"Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, and saying, Where is the promise of His coming? For since the fathers fell asleep, all

things continue as they were from the beginning of the creation. For this they willingly are ignorant of, that by the Word of God the heavens of old, and the earth standing out of the water and in the water: whereby the world that then was, being overflowed with water, perished" (II Pet. 3:3-6).

The Catastrophe of the Flood

Until recently skeptics have regarded as entirely mythical the Biblical account of the Flood. Now evidence has come from the scientists themselves, confirming that such a catastrophe did visit the earth approximately 5,000 years ago. These investigators believe, and it is possible that they are correct, that the earth got out of balance and the tilt of its axis was changed in the matter of hours. Certainly some such catastrophe did strike the earth in order to produce the remarkable circumstances which modern geologic research has discovered. Recently in Russia, explorers found the preserved carcass of

a mammoth which had been frozen in the ice. The flesh was found fresh and even edible. On the animal's tongue there was what was identified as green grass. So quickly did the disaster overtake the mammoth, that there was no time for the mastication of its food. The swiftness of the change of climate could be accounted for by the change in the earth's axis. (It is the extreme tilt of the axis now, that causes the great changes and harshness of the seasons, and also accounts for the cyclones, hurricanes and destructive storms).

Some Scientists Believe the Earth Is Due for Another Similar Catastrophe

Many Bible scholars have believed that there was a change in the tilt of the earth's axis at the time of the Flood. It is, therefore, interesting to note that scientists of high repute have recently reached the same conclusion from terrestrial evidence. Hugh Brown, a widely-known engineer and graduate of Columbia University, who has

studied the problem for 35 years, and has concluded that such an event occurred approximately 5,000 years ago, *now believes that civilization is due for another similar catastrophe.* He explains that due to the thickening of the ice on the Polar Caps (now 10,000 feet thick at certain locales) that the earth again shows definite signs of losing its axis balance. It is well known that engineers and mariners are finding that the established tables on the tides and the magnetic poles are no longer accurate. Also, there is an unusually large wobbling of the earth's axis, indicating a profound disturbance in the vicinity of the planet's axis. Such an event as the shift of the earth's axis would precipitate a fearful terrestrial convulsion undoubtedly resulting in earthquakes of intensity predicted in the book of Revelation (Rev. 6:12-14). Suggestions have been made that atomic bombs might be used to melt the ice cap, and thus avoid such a possibility. Such an attempt, we are sure, would be futile, and indeed, if it could be done, the enormous release of water from the melted ice would flood every port city in the world. Divine promise precludes the possibility of another world deluge. But let us note something further.

What Science Has to Say About a Pre-Adamite Civilization

Scofield and many other Bible scholars are agreed that the Bible teaches that there was a pre-Adamite creation which existed ages before the time of Adam. Long after this original creation, Divine Judgment fell on the earth according to Gen. 1:2, in which verse it declares that the earth was "without form and void and darkness was upon the face of the deep." This judgment is more fully described in Jer. 4:23-26, where it relates the fact that the earth became without form and void, and the cities and civilization of the time were utterly destroyed to the last man (Vs. 25-26). Many believe that this great judgment was identified in some way with the rebellion and fall of Satan and his angels. Now science comes with proof (that can be verified by anyone with a small telescope) that this part of the solar system suffered a cataclysm many thousands of years ago, evidently before the existence of the present human race.

Judgment Struck the Earth's Companion, the Moon

In the July, 1949, issue of the Scientific American, it is shown that the earth's companion, the Moon, suffered a tremendous catastrophe, caused by the impact of giant meteorites which have pitted its entire surface. These craters can be viewed by anyone possessing a small telescope. (Note the photograph on opposite page). At one time astronomers assumed that these indentations on the moon's surface were the result of widespread volcanic action at a remote pre-historic period. Now these observers, after exhaustively studying the evidence, have come to the generally ac-

Scientist Believes Russia Is Moving Ahead of U. S. in Atomic Knowledge

October 22 (AP).—A Nobel prize-winning scientist pitched a verbal bombshell at the American people today. He said the Russians are moving faster than the U. S. in atomic development and may soon be ahead of us. So said Dr. C. Urey, the scientist honored for discovering heavy hydrogen. A later news dispatch declares that this scientist believes that this event will have occurred within two years.

War May Come to the Balkans in 60 Days According to Newsweek

Edward Weintal, Newsweek's diplomatic correspondent, reports that Soviet armed action against Yugoslavia seems imminent. Now the first move is expected within 30 or 60 days, and would be an attempt by guerrillas based in Hungary to seize a part of Yugoslavia. Seizure of this territory would be followed by a proclamation of a new People's Republic. The new republic would thereupon become eligible for full military support from the Soviet world. This report, if borne out by events, means that Moscow has finally taken the plunge and has decided to risk a local war against Tito.

Seven Soviet divisions are at the border of Yugoslavia right now.

The Vulnerability of American Cities to Attack Is Reported

Air officials report, according to Radford Mobley, that an enemy could hit almost any city in United States with a sizeable number of planes and do terrific damage. War games witnessed the technical destruction of Dallas, Houston and

cepted conclusion that the craters were produced by "cataclysmic impacts of great meteorites." The Scientific American further declares that "the face of the moon is scarred by at least a million craters visible from the earth and probably by billions we cannot see." The writer then adds that "BILLIONS OF METEORITES MUST HAVE FALLEN ON THE EARTH AS WELL AS ON THE MOON." Thus the scientific world reaches the conclusion which Bible scholars have long believed—that there was a pre-Adamite cataclysm that visited the earth. It must have been many years after this that God, renewing this planet, commissioned Adam and his descendants to multiply and replenish the earth (Gen. 1:28). Note the significance

Little Rock. Russian planes have a range of 5000 miles and could fly over the top of the world and strike any large U. S. urban area.

Horrible Discoveries of Mass Graves Reported in Germany

Discoveries of the most shocking nature continue to be unearthed in Germany, revealing the unspeakable depravity of fallen man. A new grave believed to contain 300,000 corpses has been found near the old Dachau concentration camp. This discovery undoubtedly throws light on the disappearance of the German Jews of which only 45,000 remain. This mass grave had been cunningly concealed by having a highway built over it. Recently the road began to settle and investigation showed that underneath was perhaps the largest mass grave in existence.

This news is the most sickening we have heard since the photograph of the mountain of shoes was published. Some 800,000 pairs of shoes had been taken from the victims of both sexes and all ages, and placed in a great pile, while their owners, condemned to die for the crime of being born a Jew, were taken by the heartless captors to be executed, some being burned alive in huge ovens. Such is man's inhumanity to man. As we witness the unspeakable horrors committed by men of our so-called Christian nations, who can be so blind that he cannot see that the shadows of the Great Tribulation are upon us?

Soviets Claim Communism Is Rebirth of Rome Golden Era

The golden era of Rome has been reborn in Russia and this "new Communist empire will last for thousands of years," so says Prague's main newspaper, The Prace. It adds that the Communist Empire can be compared only to the golden age of the Roman Empire. This statement is not without significance when we realize that Russia, dominated by the Greek Catholic church for centuries, is the successor as it were of the Eastern Roman Empire, which terminated in the year 1453.

in the use of the word "replenish," which means to refill.

Thus we see that the findings of the world of science have confirmed the Bible evidence of a pre-historic or pre-Adamite judgment. And also, as we have seen, there is confirmation that many centuries after Adam, another great catastrophe visited the earth, which apparently changed the tilt of the earth's axis and inundated great areas of the world, causing the Flood.

Divine Health

The Christian's Possession

"That the LIFE also of Jesus might be made manifest in our MORTAL FLESH" (II Cor. 4:11).

Jesus' life is manifest in our spirit in Salvation, and His life is manifest in our body in Divine Health. By His blood we have received "remission of sins" and by His stripes "we WERE healed."

In the Lord's Supper we have two emblems: the bread and the wine, which represent the body and the blood being broken and shed for our healing and salvation. Through this sacri-

fice we have become new members of "His body, of His flesh, and of His bones" (Eph. 5:30). Because of this wonderful truth, "we were healed" of all our sickness when we are saved from all our sins. We need to find this out and appropriate our healing by faith just like we appropriated our salvation by faith.

Believe on the Lord Jesus Christ and confess Him with your mouth as HEALER, just as you believed on the Lord Jesus Christ and confessed Him with your mouth as SAVIOUR (or Lord), and you will be healed just like you were saved. (Note Rom. 10:9-10).

The utter abandonment of our faith to the Lordship of the Word brings God into our lives in the fulfillment of every one of His nearly four thousand promises as we lay claim to them by faith. Every promise is yours. It awaits your claim to become usable.

protected, and HEALED! Calvary was a comprehensive work, for at Calvary Christ provided for man's every need, spiritually and physically, for spirit, soul, and body! We can "glorify God both in our SPIRITS and in our BODIES for they have both been bought with a price" and spiritual and physical health provided for both!

For seven years I preached the Gospel and prayed for the sick all over the nation. God gave me great revivals, with thousands saved and many miraculous healings, but it was not until God healed my own body miraculously, that I really began to fast and pray and seek His face for a manifestation of mighty healing power, as in apostolic days.

Statement Concerning Prayer and Fasting

(Continued from Page 3)

world catastrophe right before us. That some should get such a burden for a world of lost men that, as Daniel of old, they should feel impelled in the Spirit to "eat no pleasant" bread for a protracted time, does not seem unreasonable.

There is another circumstance, which only one engaged in a constant ministry to the sick and suffering can fully realize, that is the extent of the crushing load of misery caused by Satanic oppression that is in the world. True, multitudes of people are finding deliverance under pastors who have a ministry of healing or in the

great healing campaigns in progress over the land. But there are others who because of distance, financial circumstances, or physical incapacity, cannot sit under this ministry, and to them their situation appears hopeless. Is there not some tangible method that will help them to break through their weakness and unbelief—something basically simple that will help them to secure deliverance? God has been merciful to many of us, and sometimes we are prone to forget the plight of the less fortunate. Would not Matt. 17:21 be the solution to these cases?

It would seem that fasts of unusual length would have significance only in connection with some desperate need. We have an illustration of this in the case of the sailors on the ship with Paul, who fasted two weeks before deliverance came. (Acts 27:33). (A most significant fact is that the need of this fast arose because they had failed to heed the Will of God (Acts 27:21). However, Paul fasted with them.) We do not find Bible evidence that long fasts were intended for every one, or even for a large proportion of Christians. It is as the matter of one becoming a eunuch for the Kingdom of Heaven's sake; Jesus said that none could receive it save to him whom it was given. (Matt. 19:10-12).

On the other hand, we are sure that the evidence warrants that some have obtained great blessings from a protracted fast. Let every man be persuaded in his own mind, but above all, brethren, for the sake of the Gospel let us not become divided over this matter. There are grave days ahead. We are going to need the help and united faith of all of us. Not long ago, the people of some of the nations of this world, were forced to fast for the lack of bread, because judgment had come on their nation. It could happen here.

Is The Earth About To Be Visited With a Cataclysmic Judgment?

on Mt. Ararat, that is perennially encrusted in snow and ice, and thus perhaps preserved in excellent condition. Sober investigators are now engaged in a great expedition in search of the Ark to confirm previous discoveries made from the air.

A Solemn Lesson

If then, as the Bible declares, and scientifically established evidence confirms, Divine judgment has come to the earth two times previously, what attitude shall we now take concerning the prophecies which declare that judgment shall come again, and which apparently is now about to break upon the earth? What folly it would be to disregard the warning! What a tragic mistake for one to continue in sin, thus marking himself to suffer a similar fate of others who have rejected Divine mercy. Let men flee from the wrath to come and to the Rock which is higher than they! There is mercy for those who want mercy—but wrath for those who spurn the offer of Grace. When in the days of Noah, God shut the door of the Ark—heaven's provided way of escape—it was shut forever as far as the people of that generation were concerned. What a grim prospect to have nothing to look forward to but Divine retribution. Unsaved friend, give God thine heart even today!
